

A Beginner's Guide to Little House Recitation

Note: You must perform Daily Recitations so that you can recite Little Houses. Start your Daily Recitations with the Great Compassion Mantra (Da Bei Zhou). The order of reciting other sutras/mantras in Daily Recitations or in Little House can be determined at your discretion.

1.Before reciting, use a black- or blue-ink pen to write down the name of the receiver on the right-hand side under "*Offer To*". The receiver can be your Karmic Creditor (then write "Karmic Creditor of <full name>"), an aborted or miscarried child (then write "The Child of <full name of the mother>"), a deceased relative or friend (then write "<full name of the deceased>"), or a Karmic Creditor of the house (then write "Karmic Creditor of the house of <full name of the occupant>"). If you want to use Little House to resolve karmic conflicts with someone, then simply write "<your full name> resolves karmic conflicts". If this Little House is for later unspecified uses, then simpliy leave the space under "Offer To" blank.

2. Write down the full name of the reciter on the left-hand side under "Offered By", also using a black- or blue-ink pen.

Say the following prayer before reciting Little House:

- "Respectfully invite the Greatly Merciful and Greatly Compassionate Guan Yin Bodhisattva". (3 times)
- "May the Greatly Merciful and Greatly Compassionate Guan Yin Bodhisattva protect and bless me, <full name>, help me give this Little House that I am about to recite to <name of the receiver> (which can be your Karmic Creditor, a deceased relative or friend, a Karmic Creditor of your house, or an aborted or miscarried child)."

The following order of reciting Little House is highly recommended:

- 1 9 times of Da Bei Zhou
- 2 3 times of Da Bei Zhou + 49 times of Heart Sutra
- 3 3 times of Da Bei Zhou + 84 times of Wang Sheng Zhou
- 4 3 times of Da Bei Zhou + 87 times of Qi Fo Mie Zui Zhen Yan
- 5 9 times of Da Bei Zhou

Note: Essentially, Little House recitation starts and ends with Da Bei Zhou. In between are the recitations of other sutras and mantras. The above combination is not the only way to do it, and it's fine if you choose not to follow this method due to time constraint or other reasons. What matters is the sincerity and efforts that you put in to recite Little House.

How to dot in the circles?

- 1 It is compulsory to use a red-ink pen or marker to dot inside the circles.
- 2 Remember to dot at the centre of the circle and not to put a tick or fill up the entire circle (80% full is the best).
- 3 Use a blue- or black-ink pen to write down the date of completion on the lower right-hand side of Little House.
